

A woman with dark hair tied back, wearing a teal short-sleeved shirt, is performing a manual therapy technique on a patient's knee. The patient is lying on their side on a light-colored surface. The woman is leaning over the patient, with both hands on the knee joint. The background is a solid light green color.

# EastWest

## Physiotherapy

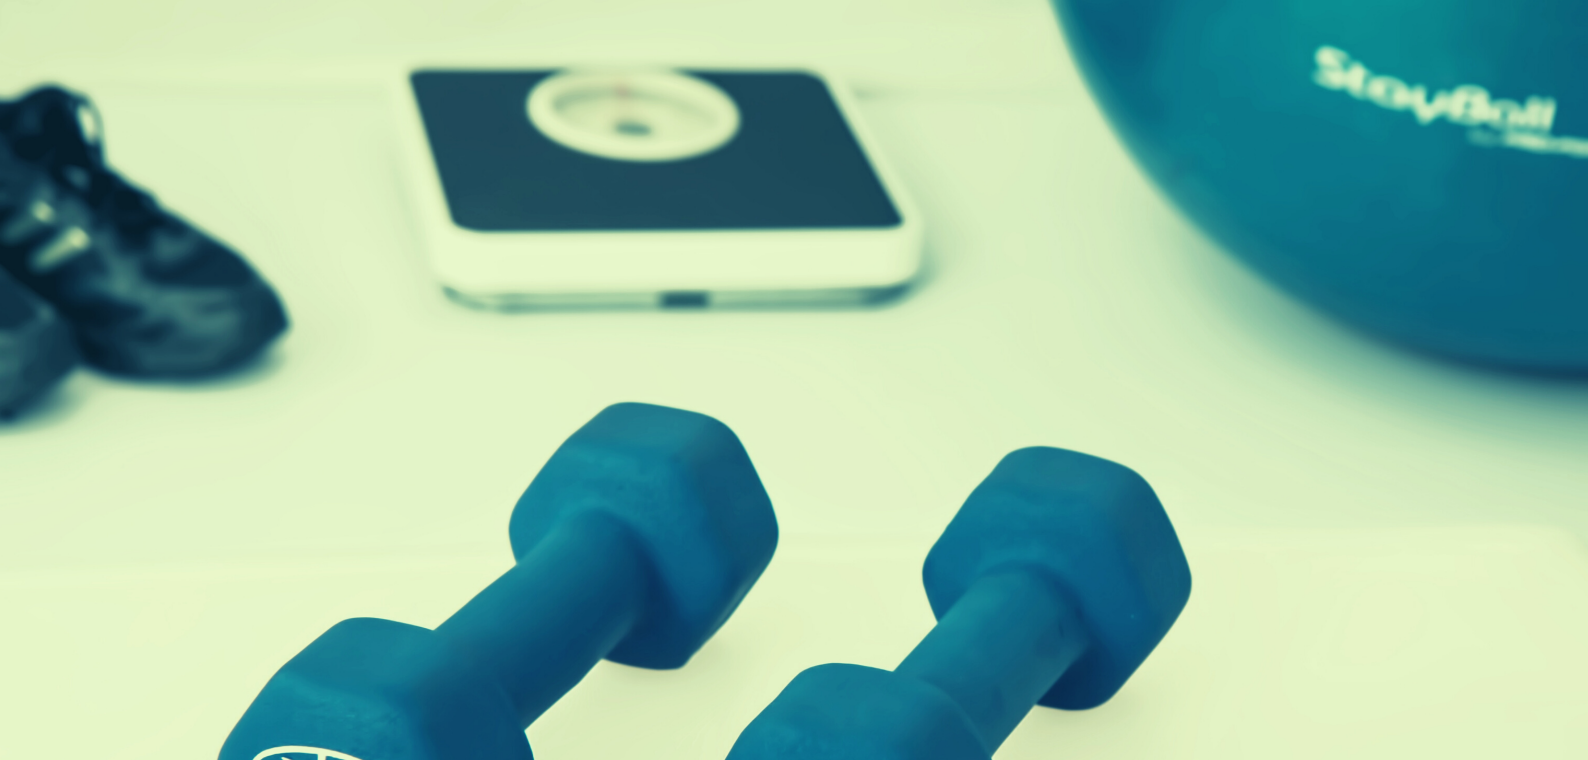

As an established Burnaby physiotherapy clinic, EastWest is extremely popular among the community.

We have been offering high-quality physiotherapy services for more than a decade.

Hence, not only do our Burnaby physiotherapists have experience, but they also know the ins and outs of providing physio care and rehab.

At our Burnaby physiotherapy clinic, we offer a broad range of holistic physiotherapy services that include some of the most modern techniques as well.

Starting from therapeutic taping for the athletes, to manual therapy for the elderly, we tackle them all.

WE WILL TAKE CARE OF YOU

# We Are Professionals
